Answered By : - **Hudson**, Member, KKP Youth Club, Gurunagar, Jaffna.

1. It is fun, good time pass, we are playing it from childhood.
2. What you're proposing may reduce the time spent on arranging a match or tournaments.
3. Yes of-course, instead of wasting money on calling teams, we can easily arrange a match.
4. Using it saves time & money, Team Management is easier.
5. No, I don't see anything negative in this.
6. No.
7. create terms & conditions, which they should follow if they want to use this website/application
8. it'll be good to have a personal page for each player to manage their details

Answered By :- Vinushanth, Street Cricket Player, Jaffna.

1. It is also like cricket only difference is we use softball and there is no one to tell how to play.
2. I personally think that this will be used if developed for mobile. However, the website also sounds good.
3. Yes, I'd spent my Internet data rather than spending money on calling all my team players.
4. We get recognition from other people, since there is competition, people will be interested in street cricket.

5. No.

6. As long those details is used for that purpose, It is not an invasion for me.

7. Create an agreement which states that the team will be held responsible for fraudulent activity.

8. Add a Live Commentary in tamil language, which will attract people.

Answered By :- Santhos, University Basketball player, Cricket Player.

1. Street Cricket was everything to us when we were children
